

Welcome

Members and Dependents of the

Bay Area

Roofers

Welfare Fund

Did you know that as a member of the Bay Area Roofer Welfare Fund, you now have an exclusive benefit available for you and your family?

Personal problems reach everyone at one time or another; it is your response that makes the critical difference. Letting those problems go unresolved could lead to stress, anxiety, depression, poor work performance, family instability and reduced overall health.

As a member of the Bay Area Roofers Welfare Fund, you and your family now have a way to respond through Beat It! Employee Assistance Programs, when personal problems interfere with home and work life.

WHAT IS AN EAP?

The Bay Area Roofers Welfare Fund and Beat It! Employee Assistance Programs, as part of your health plan benefits, have teamed to develop an easy to use, confidential benefit to assist you or your eligible dependents with issues such as substance or alcohol abuse, marital difficulty, financial, legal and many other issues

that can dramatically affect your home and work life.

Beat It! EAP provides you solutions in resolving problematic issues. With 20 years experience with the skilled trades, Beat It! understands better than anyone your unique needs and has the resources available to address any concern.

IS IT CONFIDENTIAL?

All Beat It! EAP personnel, its affiliates, providers and staff are bound by strict confidentiality regulations and cannot release information without your prior written consent.

HOW DO I GET HELP?

Getting advice or assistance is as easy as dialing the phone, call **1.800.828.3939** or visit our website www.beatiteap.com to contact a employee assistance professional, who will help identify potential problems, assess your needs and guide you to a quick resolution or refer you to a treatment specialist.
